LITTLE LUNA

The Cutest Halloween Witch — A Complete Amigurumi Crochet Guide

A complete step-by-step illustrated guide for absolute beginners

Please note: This is an **AI-designed pattern** and has **not been physically tested**. Stitch counts have been verified mathematically. This is a decorative doll — not evaluated as a child-safe toy.

WELCOME

Meet Little Luna!

Welcome, friend! **Little Luna** is a sweet miniature Halloween witch — about 10–12 cm tall including her pointy purple hat. Big peachy smile, pumpkin-orange hair, black dress with a purple belt, tiny boots. She sits on your shelf looking adorable — she frightens no one.

This guide teaches **everything from zero**: holding the hook, every stitch, each body part round by round, and full assembly. Every step has a **photograph**; every round ends with a **stitch count**.

What you will make

- A **10–12 cm amigurumi witch doll** — head, dress, arms, boots, hair, hat.
- A tall **pointed purple witch hat** with wide brim, black band, orange buckle.
- An embroidered **kawaii face** — sweet eyes, smile, pink cheeks.
- **Bonus:** an optional miniature crochet **broom**.

How long will it take?

Luna is a bigger project than our keychains — expect **one cozy weekend** or a few happy evenings. One body part per sitting and she comes together like magic.

TIP — *Luna is small, simple pieces. If you crocheted the mini pumpkin, you already know every stitch Luna needs.*

MATERIALS

What You Need

Luna's palette: peach, purple, black, pumpkin orange.

Required

- **Peach DK yarn** (10–15 g) — head and arms.
- **Purple DK yarn** (15–20 g) — hat and belt.
- **Black DK yarn** (15–20 g) — dress, sleeves, boots.
- **Pumpkin-orange DK yarn** (10–15 g) — hair.
- **Black embroidery thread** — eyes and smile (safer than plastic eyes).
- **Pink embroidery thread** — rosy cheeks.
- **3.0 mm crochet hook**, **fiberfill**, **blunt yarn needle**, **stitch marker**, **scissors**, **measuring tape**.

Optional

- **Green yarn** — decorative accent.
- **Brown + tan yarn** — the optional mini broom.
- **Hanging loop** — turn Luna into an ornament.

TIP — *Keep all yarns the **same weight** (DK) so every piece matches in scale.*

How to read a round

(2 SC, INC) × 6 means: *one SC in each of the next two stitches, then two SC into the following stitch — repeat six times.* The bold **(24 sts)** at the end is your checkpoint.

LESSONS 1–5

Basic Crochet Techniques

The five foundations. Made our pumpkin or heart? Skim this — same friendly basics.

Holding the hook & yarn

Hold the hook like a **pencil**, relaxed. Drape yarn over your left index finger so it **glides**. Your finger is a brake, not a clamp.

Slip knot & chains

Slip knot: loop yarn, pull a fold through, slip on hook, snug gently. **Chain (CH):** yarn over, pull through — one chain. Luna uses chains for her belt and hanging loop.

Single crochet (SC)

Insert hook, yarn over, pull up a loop (2 on hook), yarn over, pull through both. One SC — the stitch that builds **all of Luna**.

Changing colors

On the last yarn-over of the final stitch in the old color, pull through with the *new* color. Snug both tails, keep going. (Luna's arms switch peach to black.)

TIP — *Tension check: stitches should slide on the hook — snug, not strangled.*

LESSONS 6–9

Magic Ring, Increases & Decreases

The magic ring: adjustable starting loop.

Magic ring: wrap yarn twice around your finger, hook in, pull up a loop, chain 1. Work Round 1 into the ring, pull the tail — cinches shut.

Increase: 2 SC in the same stitch. Grows circles.

Invisible decrease: front loops only, no gaps.

Invisible decrease: hook through *front loops only* of two stitches, yarn over, pull through both. Two become one, no hole.

FLO: Luna's hat brim uses **front loops only** — it flares the brim in a crisp ridge. **Spiral rounds:** keep going round and round, marker up each round.

Head: Rounds 1–6

Peach yarn, 3.0 mm hook, spiral rounds. Marker in the first stitch of every round.

Round 1: six little peach stitches.

Round 1: MR, 6 SC. **(6 sts)**

Round 2: increasing — two into every stitch.

Round 2: INC × 6. **(12 sts)**

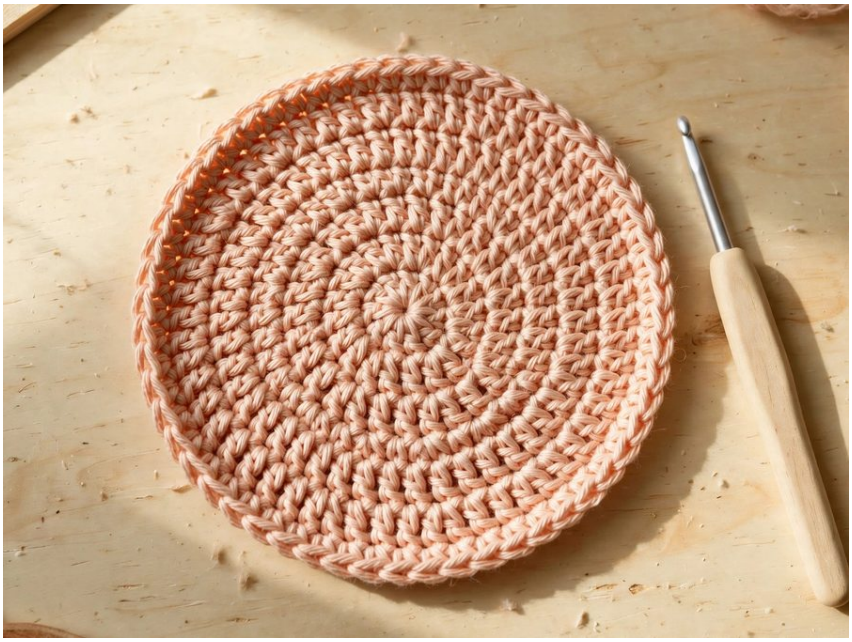

Round 3: (1 SC, INC) × 6. **(18 sts)**

Round 4: 24 stitches, growing flat.

Round 4: (2 SC, INC) × 6. **(24 sts)**

Round 5: (3 SC, INC) × 6. **(30 sts)**

Round 6: 36 stitches — the widest point.

Round 6: (4 SC, INC) × 6. **(36 sts)**

TIP — *Circle lying **flat**? Perfect. Curling early? Loosen tension a touch.*

LUNA'S HEAD

Head: Rounds 7–12

No more increases — one SC in every stitch, six rounds. The circle cups into a bowl.

After Round 12: a deep rounded cup — half a head!

Rounds 7–12: SC in each st around. **(36 sts)**

> ***TIP —*** *Stitches **dense with no gaps**? Good — stuffing must not peek through later.*

LUNA'S HEAD

Head: Rounds 13–17

Mirror of the increases — invisible decreases close the head.

Round 13: (4 SC, DEC) × 6. **(30 sts)**

Round 14: (3 SC, DEC) × 6. **(24 sts)**

Round 15: (2 SC, DEC) × 6. **(18 sts)**

> ***TIP — STOP after Round 15** — stuff now, before the hole gets too small.*

LUNA'S HEAD

Stuffing & Closing the Head

Little tufts at a time — fluff, don't cram.

Fill with small tufts until **firm but squashy** — like a ripe peach. Keep the top opening clear.

Round 16: (1 SC, DEC) × 6. **(12 sts)**

Round 17: DEC × 6. **(6 sts)**

Weaving through the final 6 stitches.

FO with a **long tail** (for sewing to the body later). Weave through the 6 sts, cinch, knot inside, hide the end — but keep the long sewing tail out.

LUNA'S FACE

Embroidering the Face

Do the face **before** attaching hair or hat — flat head, easy access.

Eyes first: between Rounds 9–10, 5 stitches apart.

Eyes: with black thread, two tiny vertical stitches between Rounds 9 and 10, about 5 stitches apart. A pin in the second spot keeps them symmetric.

Sweet and finished — eyes, smile, pink cheeks.

Smile: one small curved stitch below and between the eyes. **Cheeks:** two tiny pink horizontal stitches. Step back, check symmetry, knot inside.

TIP — *Sweet, not scary: keep every feature **small and high** on the face. Big low features read spooky — Luna is a friend.*

Body: Rounds 1–6

Black yarn. The dress is wider at the bottom (skirt) and narrower at top (bodice).

The dress begins: black rounds 1–4.

Round 1: MR, 6 SC. **(6 sts)**

Round 2: INC × 6. **(12 sts)**

Round 3: (1 SC, INC) × 6. **(18 sts)**

Round 4: (2 SC, INC) × 6. **(24 sts)**

The flared skirt after the even rounds.

Rounds 5–7: SC in each st around. **(24 sts)**

Body: Rounds 7–12

Waist shaping — narrowing toward the shoulders.

Round 8: (2 SC, DEC) × 6. **(18 sts)**

Rounds 9–10: SC in each st around. **(18 sts)**

Round 11: (1 SC, DEC) × 6. **(12 sts)**

Round 12: SC in each st around. **(12 sts)**

Finished dress: flared skirt, narrow top. Stuff lightly.

Stuff **lightly** — the dress should hold its shape, not bulge. FO with a long tail. Optional **purple belt**: chain 30 in purple, wrap the waist, tie a bow.

ARMS

Two Little Arms

Make **two identical**. Peach hands, black sleeves — color change on Round 3.

Arm Round 1: tiny peach ring.

Round 1: Peach: MR, 6 SC. **(6 sts)**

Round 2: SC around. **(6 sts)**

Round 3: Change to black: SC around. **(6 sts)**

Rounds 4–5: SC around. **(6 sts)**

Two matching arms — peach hands, black sleeves.

FO with a long sewing tail. **Do not stuff** — flat arms sew on neater. Set aside.

TIP — Color-change refresher: *finish the last peach stitch's final yarn-over with black. Snug both tails and crochet on.*

LEGS & BOOTS

Two Little Legs

Make **two identical**. All black — these are her boots.

Boot rounds 1–2: 6 to 12 stitches.

Round 1: Black: MR, 6 SC. **(6 sts)**

Round 2: INC × 6. **(12 sts)**

Round 3: SC around. **(12 sts)**

Round 4: (2 SC, DEC) × 3. **(9 sts)**

Rounds 5–6: SC around. **(9 sts)**

Two tiny boots, ready to attach.

FO with a long tail. Stuff the toe **very lightly** if you like; flatten the top opening. They sew under the dress skirt.

Hat: Rounds 1–8 — The Point

Purple yarn. The hat grows **slowly** — that's what makes it tall and pointy instead of a flat cone.

The tiniest tip: 4 stitches.

Round 1: MR, 4 SC. **(4 sts)**

Round 2: SC around. **(4 sts)**

Round 3: (1 SC, INC) × 2. **(6 sts)**

Round 4: SC around. **(6 sts)**

Growing pointier — patience makes the point.

Round 5: (2 SC, INC) × 2. **(8 sts)**

Round 6: SC around. **(8 sts)**

Round 7: (3 SC, INC) × 2. **(10 sts)**

Round 8: SC around. **(10 sts)**

THE WITCH HAT

Hat: Rounds 9–16 — The Cone

Tall pointed cone — 30 stitches around.

Round 9: (4 SC, INC) × 2. **(12 sts)**

Round 10: SC around. **(12 sts)**

Round 11: (1 SC, INC) × 6. **(18 sts)**

Round 12: SC around. **(18 sts)**

Round 13: (2 SC, INC) × 6. **(24 sts)**

Round 14: SC around. **(24 sts)**

Round 15: (3 SC, INC) × 6. **(30 sts)**

Round 16: SC around. **(30 sts)**

TIP — *Cone leaning? Push the tip gently to one side while working — a slight bend is classic witch-hat charm, not a mistake.*

Hat: Brim & Decorations

The brim is worked in **front loops only** — that's the crisp flare.

The brim flares out in FLO — watch it bloom.

Round 17: FLO: (4 SC, INC) × 6. **(36 sts)**

Round 18: (5 SC, INC) × 6. **(42 sts)**

Round 19: SC around. **(42 sts)**

FO, weave in the end.

Black band + orange buckle — a proper witch hat.

Hatband: with black yarn, chain 34 (measure against the cone — snug, not tight), join with a slip stitch, FO, and whipstitch the ring around the lower cone. **Buckle:** with orange, embroider a small rectangle on the band's front.

TIP — *Brim curling up? Steam it flat under a book overnight — or embrace the curl; witches are not known for crisp millinery.*

LUNA'S HAIR

Preparing the Orange Hair

12–16 equal strands, ready to attach.

1. Cut **12–16 strands** of orange yarn, each about 15 cm.

2. Fold each strand in half — you'll attach at the fold.

3. Plan two bunches: 6–8 strands per side, on the upper sides of the head.

TIP — *Longer strands = longer hair. Luna wears hers short and curly — trim after attaching, never before.*

LUNA'S HAIR

Attaching the Hair

Hook through, fold through, pull tight — strand by strand.

1. Push your hook through a head stitch where you want hair.
2. Catch the folded middle of a strand, pull a loop through.
3. Pull the strand ends through that loop — a lark's-head knot. Tug snug.
4. Repeat for all strands, both sides, plus a few at the back.
5. Trim to a soft bob framing the face. Keep strands **away from the eyes**.

The hat will cover the crown, so the top can stay sparse — the sides are what show.

ASSEMBLY

Joining Head and Body

Whipstitch all the way around — slow and sturdy.

1. Center the head on the body's 12-stitch top opening.
2. With the head's long tail on your needle, whipstitch around the join.
3. Go around **twice** — the head is the heaviest part; this joint does all the work.
4. Knot inside, hide the tail.

TIP — Wobbly head? *A second pass of stitches fixes it. If it still nods, a tiny extra pinch of stuffing in the neck firms the joint.*

ASSEMBLY

Attaching Arms and Legs

One arm at a time, matched left and right.

Arms: flatten each arm's top opening. Sew to the upper sides of the dress, about one round below the neck — **mirror positions** left and right. A few whipstitches each; knot inside.

Boots peeking from under the skirt — symmetric pair.

Legs: sew the flattened tops **under the dress skirt**, side by side, toes forward. She should **sit upright** on her skirt + boots like a little tripod.

> Luna is a **decorative sitter**, not a stander. Lean her against a pumpkin or a book — she looks perfectly at home that way.

ASSEMBLY

Positioning the Hat

Jaunty, not straight — tilt it with confidence.

1. Settle the hat on the head, **slightly tilted** — straight hats look severe; a tilt looks charming.
2. The brim should sit just above the eyes, hair bunches peeking out below.
3. Sew around the brim's inner edge with purple yarn, catching head stitches every few stitches.
4. Hide all tails.

Try the fit **before** sewing: if the hat swallows her whole head, work one fewer brim round next time (the math still closes cleanly).

FINISHING

Final Check

Front view — symmetric, sweet, finished.

Walk around Luna and check:

- Eyes level and smile centered?
- Hair bunches even on both sides?
- Arms mirror each other; boots point forward?
- Hat tilt charming, not sliding?
- Every yarn tail hidden inside?

Side view — hat, hair, and boots in profile.

Weave in any escapee tails with the needle, trim close, and give her a gentle fluff. **She's done!**

BONUS PROJECT

Optional Mini Broom

A tiny broom for Luna's hand — or to lean against her display. No wire, no sharp parts.

Handle (brown)

Round 1: MR, 5 SC. **(5 sts)**

Rounds 2–8: SC around. **(5 sts)**

FO, leave a tail. A 5-stitch tube is sturdy without stuffing.

Bristles (tan)

1. Cut 20 tan strands, 8 cm each.
2. Fold in half; tie tightly around one end of the handle with tan yarn.
3. Wrap tan yarn 4–5 times just above the tie to cinch the bristle top.
4. Trim bristles into a fan. Fluff with a comb.

To attach: sew the handle top to Luna's hand with brown yarn, 3–4 stitches. Or leave it loose as a prop.

HELP

Troubleshooting

- **Uneven head:** increases stacked in the same spot — stagger them next time; a little steam-shaping helps now.
- **Wrong stitch count:** recount with your finger; 9 times in 10 it's a miscount.
- **Stuffing shows:** tighter stitches or slightly less filling — pick one.
- **Crooked face:** pins first, stitch second. Embroidery unpicks easily — redo without fear.
- **Hair pulls out:** your lark's-head knots need a firmer tug; add a drop of fabric glue inside for heirloom pieces.
- **Uneven arms:** count rounds, not length — same rounds, same size.
- **Boots misaligned:** pin both before sewing either.
- **Hat too small:** add one more increase round before the brim (math: (4 SC, INC) x 6 = 36, then brim).
- **Brim curls:** steam under a book overnight — or embrace the witchy curl.
- **Wobbly head joint:** second pass of whipstitches + a pinch more neck stuffing.
- **Visible seams:** match your sewing yarn to the piece, keep stitches small and snug.
- **Loose tails:** zigzag 3–4 cm through neighboring stitches, trim close.

Little Luna, Finished

Luna with her pumpkin friend — ready for Halloween.

There she is — pointy hat, orange curls, sweet smile, tiny boots. Set her by a mini pumpkin (pattern #4!) and she is instant Halloween shelf magic.

FINISHED!

You Did It!

A whole witch — head, dress, arms, boots, hair, hat, and maybe a broom — made by **your hands**. Luna took patience, and it shows in every round.

Care

- Spot-clean with a damp cloth; never machine wash.
- Keep away from small children and pets (small parts, long hair strands).
- Store upright; reshape the hat brim with steam if it flops.
- Check sewn joints yearly — a stitch in time, as they say.

This pattern is **AI-designed and has not been physically tested**. The math checks out, but real hands should confirm it — tell us if anything feels off so we can improve the guide.

Happy Halloween, and happy crocheting!
